

Science Focus:

Talk about the five senses - seeing, hearing, touching, smelling and tasting.

Focus on each sense - draw three things you can smell, see, feel, hear and taste in the home.

Repeat for when outside.

You can draw pictures or take photographs.

The senses

Reception Homework Menu 'Marvellous Me'

Homework Expectations in Foundation Stage:

- Phoneme recognition using the phonics cards sent home each week - these can be cut and folded, so the letter is shown on one side and the picture on the other.
- Weekly letter formation
- Practise oral blending - pictures available on the Reception page of the website.
- Choose and complete at least two activities from this Homework Menu during the half term. You can do more if you would like to.

All recorded homework should be completed neatly in your homework book, with the exception of Mathematics. Feel free to add any photographs of activities as evidence.

Homework books **MUST** be returned to school on Wednesdays ready to be sent home on Fridays.

Any passwords and usernames can be found in the back of your homework book.

Mathematics Focus:

Sing number songs:

1,2,3,4,5 Once I caught a fish alive

1 potato, 2 potato, 3 potato more

Practise counting 0-5 then 0-10 - can you count it loudly, quietly, in a happy, sad or angry voice?

Roll a spotty dice - say the number you land on and jump, clap or hop the amount shown.

Phonics, Reading and Writing Focus:

Using a bedtime story book or one from our sharing library snuggle up and enjoy the book together.

Play teachers using the phonic flashcards.

Play 'I Spy' using the sounds learned each week

Have a go at forming the letters for each of the sounds we learn. Tell your grown-up which letter family they belong to. You could do this in a tray of flour, rice or oats or use a pen, pencil, chalk or paintbrush in your book.

Design and Technology Focus:

Make a Marvellous Me flower.

Place a photo in the middle.

Add your age, favourite colour, food, animal and hobby on each petal.

Write your name on the pot.

PSHCE - Emotions Focus

Talk about your emotions as a family. How are you feeling each day? What makes you feel this way? Think about something, someone or a place that makes you happy, sad, angry, excited, calm, scared.

You could draw pictures or take a photograph showing your emotions.
