	<p>Finance - RT is the new chair, SU was thanked for all his work and his continuing support of the committee. The next meeting will be held on 2nd March to discuss the budget setting.</p> <p>A governor asked if pupil premium and extra funding will be added to that agenda. It was confirmed that JF will talk to TB to go through the plan.</p> <p>Premises – HB is the new chair. The committee will get together before the premises meeting. The board discussed Pamela Duff becoming an associate member. The FGB were in agreement and CS will speak with her. The school have no clinically vulnerable staff at present. EPM was contacted for advice for staff who did not feel comfortable coming in to school. 2 TA's aren't in, one is working from home and one is subject to further conversations. Everyone has concerns about being in school but a teacher who was particularly anxious is now encouraging vulnerable children to come in which is brilliant and shows that they are putting childrens needs above their own.</p> <p>A TA positions was interviewed for before Christmas and was offered but the candidate declined stating the school was not the best fit for them.</p> <p>There is a tracker on sharepoint regarding staff well being and governors were encouraged to update this if they had any conversation with staff.</p> <p>Standards – BW (Chair) is not in attendance at the FGB. The meeting on 13th January was cancelled but reading has been sent round and a new date will be booked in.</p> <p>SENDPP – The last meeting was cancelled but email communication has been sent out. (These will be saved with the minutes)</p> <p>The Headteacher clarified why there wasn't a staff rota this lockdown and that it was a collective decision.</p> <p>A governor asked if any of the critical worker children in school did in fact have parents at home. The Headteacher stated that it was hard to know for definite but government guidelines have said that only one parent needs to be a critical worker. Communication has gone out to make sure parents really think about their decision.</p> <p>A governor asked if the numbers of children in school stated on the headteachers report were the numbers in everyday. The Headteacher clarified that it wasn't but it could be.</p> <p>A governor asked if Mrs Daly was coming in. She is to make sure the children are supported.</p>	
	<p>Mrs Dawson joins the meeting to discuss the school snack survey.</p> <p>Mrs Dawson explains the reason behind wanting to send out the snack survey. They need to establish a baseline now around healthy snacks and the frequency of sugar intake and re-assess later after oral health information sent out to see if there is an improvement. Mrs Dawson is trying to set up a pathway to be able to see a dentist and feels a real impact could be made to link between dentists and primary schools. She would like to find out what parents thought of the snack change at school and what their experience is of finding a dentist.</p> <p>BN confirmed the three reasons for the survey are information gathering, aiming to help get access to dentistry and aiming to improve dental health.</p> <p>A governor stated that it was important to not appear judgemental to our parents and a covering letter should be produced explaining the reasons behind the survey.</p> <p>A governor asked if personal details were collected? Mrs Dawson confirmed that they weren't.</p>
