

12<sup>th</sup> July 2018**5\*Kitchen at Pendragon**

Well done to all the staff in the kitchen who achieved 5\* in their food hygiene rating. As the end of term approaches, there may be a few changes to the school lunch menu. Mrs Upton will be sending out the menu once they are confirmed.

**Confusion on reports**

Yesterday you all received your child's end of year report. We have had a computer glitch! All the children in years 1-5 have been assessed against the end of year expectations.

| Below the standard                     | At the Standard                           | Above the standard                              |
|--|---|---|
| WTS<br>working towards<br>the Standard | Report says S but means<br>EXS - expected | Report says GD but means<br>GDS - greater depth |

I hope that makes sense - please ask your child's teacher tonight at our Open Evening if you are not sure. The computer glitch also meant that Leopard's class front pages have had to be reprinted but they have been sent home with the children today. It must be the heat!

**Summer fair**

Many thanks to everyone who came along to support or help at the summer fair. A super evening and over £2700 was raised for the children. A special thanks to the helpers from SVC especially Daisy and Anna who were still here helping us put away tables and chairs at 9pm.

**Year 6 Shakespeare Rocks**

Well done to Year 6 for their super production. Everyone in the audience thought the show was great!
