

### Autumn fair

Many thanks to all the Friends for the Autumn fair last Friday night. A super event which has helped to raise over £1000 for the children.

### Children in Need

Many thanks for all the cakes today. The children have thoroughly enjoyed their treat!

### Don't forget- Understanding Challenging behaviour informal workshop

Jane Rogers will be leading a workshop about challenging behaviour on Tuesday 20<sup>th</sup> November. Coffee and biscuits will be available from 8.30am and the workshop will start at 9am. I am sorry there will be no crèche but we will have some toys and equipment out for any younger children who come to play.

### Front of the school

REACH is our school motto- Respect, Effort Achieve and Challenge. We use this in all aspects of school life and these are our school rules. We have recently tried to improve the front of the school covering the unsightly mud with weed membrane and gravel. I have brushed all the gravel back but we will need to get the gardeners to cover up the membrane on their next visit! The children are not allowed to walk or play in the gravel. It is also not safe for the children to be allowed to walk on the high fence along the path.

### Anti bullying week in school

Odd socks day started this week in a very colourful way. The children have discussed a variety of issues:

- The definition of respect
- That bullying is a behaviour choice
- That we can respectfully disagree with each other i.e. we don't have to be best friends or always agree with each other but we do have to respect each other
- That we all need to choose to respect each other, both face to face and online

At our school the definition of someone who bullies is someone who: intentionally and repeatedly hurts either physically and/or mentally. The school anti bullying policy is on the school website.

### Second hand uniform

We still have quite a lot of good quality small sized school uniform for sale in the school office.
