

### Decoration Day

Many thanks for all the help we had today at Decoration Day, the school now looks ready for Christmas.

### Does your child have music instrumental lessons in or out of school?

If the answer to this question is yes, would they like to play in an after school concert on Monday 10<sup>th</sup> December from 3.30pm that Mrs Dailly and Mrs Pinnock who teaches music lessons in school, are organising. Parents are invited. If your child wishes to take part, they need to speak to Mrs Dailly or you can contact Mrs Dailly via e mail [kdailly@pendragon.cambs.sch.uk](mailto:kdailly@pendragon.cambs.sch.uk)

### Year 4 trip to Madingley

It is always good to hear from other people about Pendragon pupils. Mrs Huntley was sent this from the main guide at the American cemetery.

*"I just wanted to compliment you on how bright and enquiring the Pendragon children were. They are pretty young to be battling with some of the concepts that they encountered at the cemetery, but managed brilliantly. I am sure that this was testament to the preparation that had gone on at school prior to the visit.*

*It was noticeable, that by the afternoon session, they had really taken on board the themes that we were all trying to put across; making links right back to the introduction – good work.*

*They were delightfully 'tiggerish', which is how one would expect children of that age to be. It was a wonderful to host such enthusiastic and well behaved students at the cemetery. We hope that you will be able to come back again next year as it was a pleasure to be visited by Pendragon Y4's in 2018."*
