

As our first term of OPAL comes to an end the staff and children continue to enjoy all the play opportunities now on offer to them come sunshine, frost or rain!

The Digging Pit

Water Play

Crate Play

All weather play

Part of our OPAL journey means that children are out playing in all weathers. To prepare your child for all weathers please ensure they have an extra fleece or jumper (no need to be a school one) packed in a bag, a waterproof jacket and trousers. Spare clothes are becoming a must especially clean socks!

Scooter board play

Thank you to FRIENDS for purchasing the scooter boards, family Tolley for the trowels, Mr Emery for laying a base for the upcoming OPAL storage and of course everyone who has helped to raise money in the recent sponsored read.
