

Scooters and Bikes

It is great to see so many children coming to school on their scooters and bikes. We have 2 bike racks in school, one by the playground and one at the bottom of the school car park which is also covered. In addition we have a scooter rack at the front of the school by the school office windows. I have noticed that many of the bikes are not locked and in fact not even put in the racks but thrown on the ground. I will be reminding the children in school about the need to lock bicycles and to store bikes and scooters safely. Scooters and bikes are not allowed to be ridden anywhere on the school site - which includes all the paths and the playground. A parent was hit by a child on a scooter last week and I noticed yesterday while I was in a meeting, a child at great speed on their scooter on the paths between school and pre school. The hill gives a scooter a great deal of speed and if someone had been in the way there would have been a very nasty accident!

Friends of the school

Every event held in school is for the children and families and either to have fun or raise money for the children in school (sometimes an event can be fun and raise money!) If you would like to know more, why not join us at our next meeting at school Tuesday 1st May at 7.30pm. If you cannot make it but would be happy to help at our next event- **SCHOOL FAMILY DISCO MAY 18th** , please leave you name at the office or email Laura directly laurapurran@hotmail.com or via the Friends email friends@pendragon.cambs.sch.uk
