Ferry Meadows

Our foundation classes enjoyed a wonderful trip to Ferry Meadows this week where they enhanced their learning of transport, map reading and orienteering. A wonderful day was had by all.

Book Fair update

Thank you to everyone who supported this year's Book Fair. We sold over £1730 worth of books, which means we have earned a massive £980 to spend on books for the children!

Together we have raised...£980.....
for our school to spend on **FREE BOOKS**

If you were unable to attend the Book Fair but still wanted to purchase some books, you can do so via the **Scholastic Book Club**. Go to <https://schools.scholastic.co.uk/pendragon-comm/digital-book-club> to browse the latest books and order online. For **every £1 you spend, our school will earn 20p** in Scholastic Rewards. Please place your **order online by March 31st, 2023**. Orders will be delivered to school for free after the closing date.

Thank you to Mrs Green and Mrs Huntley for volunteering their time to run a lunchtime gardening club. The courtyard is really coming together and we look forward to inviting families to see it soon.

A huge thank you must be given to Francesca and Stefano (Panella family) for their very kind donation of a kitchen and the Bygrave and Streater families for helping to dismantle it ready to transport to school.

Also a huge thank you to Terry Micallef from Heating and Plumbing Resolutions for assisting his services free of charge. Finally Mr Ollett for helping to transport the kitchen to school. A big thank you to all of the staff who helped move everything as well. The children will really benefit from this revamp!

Safeguarding Spotlight

We are increasingly hearing of apps being used by our pupils that are not age appropriate for them. We can not investigate misuse of apps outside of school. Please view the guide below and follow the link for more information.

Thank you to all the parents who are entering the playground with their children.

Included again incase you missed it.

We no longer need children to be dropped at the gate in the mornings. Just like other primary schools, we can now invite families onto the playground. The increasing number of adults standing at the gate in the mornings has become dangerous and due to our duty to safeguard our children ***we must insist that all children are accompanied by an adult onto the playground at drop off.***

Pick up runs really smoothly when all adults enter the playground. From now on, we ask that you walk your child across the playground to their classroom or to the far corner where a member of staff will guide them round to the KS2 classrooms. Year 5 and Year 6 are still able to walk to and from school unaccompanied.

The parking outside of school has become problematic. Please ensure that you do not block people's driveways or park on the raised speedbump by the front gates. Where ever possible we ask that families avoid driving to school. If you have to drive, please park considerably and if possible, by the shops and walk up to school.

We ask that families avoid parking in the staff car park at drop off and collection. Parking in the staff car park can mean that there are not enough spaces for staff and also the car park can be very busy with moving vehicles at drop off and pick up times making it dangerous for children.
