

### Change of Day for the Newsletter

Please be aware that the school Newsletter will be coming out on a Thursday starting this week. There may still be letters coming out on a Friday but we are hoping that by sending the Newsletter on a Thursday, everyone will have time to read it as we appreciate that lots of you are very busy on a Friday.

If you are having difficulty reading the Newsletter, please let the office staff know as soon as possible because if you cannot read the Newsletter, you cannot book an appointment for a parent teacher consultation. A copy of the Newsletter is always put on the website. By sending it out a day early, it will be on the website by the weekend which we will hope will be more useful.

### Maths Open Lessons

We hope you all enjoyed the Open Maths Lessons. Mrs Brown has been busy collating the feedback and is already trying to organise a parent information evening about maths for the summer term. Don't forget to check out the resources already on the school website.

### Safer Internet Day

Next Tuesday is Safer Internet Day. Why not check out the resources on [www.saferinternet.org.uk](http://www.saferinternet.org.uk) and also those on the CEOP website [www.ceop.police.uk/safety-centre/](http://www.ceop.police.uk/safety-centre/) where you will find information written for parents and carers.

### Takeover Day

Next Friday is our annual Takeover Day. All children are invited to takeover a job in school. On past occasions we have had children in the office answering the telephone, children running the school assembly and children leading lessons in their own classrooms and around the school. All they need to do is apply for a post they wish to do and if teaching a lesson - make sure they check with the class teacher in advance!
