

### Mother's day gift buying

I hope you all enjoyed our new event on Friday, £345 was raised. We have had it suggested that we should do a similar Father's day event but with the summer fair quickly approaching, we may need to leave that until next year. Many thanks to all the helpers.

### Nearly New Sale

If you would like to sell at this year's Nearly New Sale - Friday 21<sup>st</sup> and Saturday 22<sup>nd</sup> April please contact Laura for information and a seller pack on [laurapurran@hotmail.com](mailto:laurapurran@hotmail.com)

### Address and telephone challenge

After listening to the news this week, I was very impressed with the report about 2 four year old twins who were able to tell 999 operators where they lived. In light of this, I have challenged the children to learn their addresses and if an adult asks them and they get it correct, they will receive a house point. Keystage 2 will need to know their telephone number as well.

### Wood Green Primary Ambassador Schools

We are please to share with you that we are now an Ambassador Primary school for Wood Green. More details to follow next term.

### Pet club application

Year 4 and 5 are invited to apply for next term's Pet Care Club. This will be running on a Thursday after school from Thursday 27<sup>th</sup> April. The applications have been given out in class.

### Bicycle, scooter and mini rockers in school

We have 2 bicycle shelters and 1 scooter stand in school so I have been very surprised to see bicycles and scooters left lying in the grounds - most of the bicycles I checked on Thursday were not even locked! A mini rocker was brought to school this week. We do not have facilities on site to keep these safe so please can they be left at home. Don't forget anyone coming to school on a bicycle, must be wearing a helmet.

### Good bye Mr Scarborough

We are saying goodbye to Mr Scarborough today as he relocates to Leicestershire. Mrs Whitfield and Mr Bardell will be teaching Panthers class after Easter.
