

Family Disco tickets

Did you get your tickets tonight in the playground? If not don't forget to return your slip to the office as soon as possible. This will give all the children (and adults) who want to dance more space in the hall!

Family disco helpers

Events cannot happen without help!

If you are able to help at either of the family discos (especially the first) even if only for half an hour, please can you let the Friends of the school know via their e mail address (friends@pendragon.cambs.sch.uk) or leave your name and contact number at the school office.

Bags2School

Thank you for your contributions and getting them into school for the deadline.

Unfortunately, the collection lorry was full and so could not pick up our bags until today.

Open maths lessons

I hope you saw all the times on our dates list for the open maths lessons. The format will be similar to the spelling and grammar lessons: a chance to chat about maths in school and then to see a lesson. All sessions start at 9am.
