Request for absence from school applications

A leave of absence from school must be requested before a planned absence. Once you have handed in your form, we will endeavour to inform you of the decision as close to 5 working days as possible.

Contact numbers

This week on a couple of occasions we have really struggled to get in contact with families when their child has been feeling unwell. Please can you make sure that if you change your telephone number or have a new contact number for work, you let us know as soon as possible.

Volunteering in school

We are always looking for volunteers to help us in school. We don't just ask for people to hear readers! You could be painting in Year 2, making Stone Age houses in Year 3 or even making a model space rocket in Year 1.

Head lice in school

When the bug appears on the newsletter, it means that we have been informed that there are head lice in school. Don't forget that everyone in the house needs treating if you find any head lice in your child's hair.
