Join almost 800 Cambridgeshire residents calling for Fair Funding for schools

Before the summer holidays please help to spread the word to everyone who cares about education and schools in Cambridgeshire and encourage them to sign the petition calling for fair funding.

So far almost 800 people from across Cambridgeshire have signed the petition with South East Cambridgeshire (nearly 300 signatures) and Cambridge (more than 220) leading the way. Cambridgeshire is one of the worst funded education authorities in England. The County receives £400 less per child than the average funded authority and £1600 less per child than Westminster.

Sign the petition before 1 August (<https://petition.parliament.uk/petitions/211156>)

Free recycling activity days for the summer holidays

Did you know we use over 15 million plastic bottles per day in the UK?

Find out how to help reduce plastic waste and get creative with rubbish at one of our FREE family fun days in August!

Come and join us at Waterbeach Waste Management Park to learn how to make a bird feeder out of a plastic bottle.

Sessions include hands-on practical activities and a tour of the site.

Children must be at least six years old to attend and accompanied by an adult. Sessions are free but booking is essential.
