

29th March 2018**Nearly New Sale and fun run**

Many thanks to everyone who helped and took part in the events last weekend in school. The Nearly New Sale has raised over £400 and the fun run £789 which included a grant from the Parish Council to help to fund the medals and winners' trophies. With the tuck shop sales of £132 the weekend raised £1352. A fantastic weekend and a promise from the Papworth Runners that they hope the fun run will be happening again next year. Once again thank you to all the volunteers who helped set up both events and made them such a great success.

Space topic in Year 1 has ended

Year 1 were disappointed to hear today that the space alien that has been living in school over the last half term has left. Today they saw a video of the spaceship leaving the playground today.

Year 4 Roman topic

Well done to all the children in year 4 who took part in their Roman experience day on Tuesday. Thank you to all the parents who helped their children to come into school dressed up- they all looked great. The children completed a Latin lesson, did some archaeology, baked roman flatbread and made their own Roman head decoration. The planned Roman invasion will be taking place this morning with their Roman shields.

Netball

Well done to B Team Netballers who came 13th in south Cambs final, winning their division. They won 3 matches (out of 6) winning their last match 6-0!

Goodbye to Staff and children

We have said goodbye to Mrs Forshaw today who has been working in year 4. Good luck to her and to any families who are moving over the Easter holiday. As the summer term approaches, we are starting to plan for next year. If you know you are planning to move from Papworth, please could you let the office know as soon as possible

Next 2 week's events.
