13th October 2023 Newsletter

Thursday 19th October

This year we will be supporting our local Foodbank at Godmanchester by collecting long life food products such as pasta, rice and tinned goods. We are also asking for donations of toiletries.

We must ask that the products are unopened and have a good used by date.

The children will bring their items into assembly before the Foodbank will collect them. Thank you in advance!

Individual photo day

FRIDAY 20th October

It has been a busy week at Pendragon. Year 5 visited Cambridge and Y1/2 went to the church to hear more about the Christian celebration of Harvest.

Thank you to all the volunteers who made the trips possible. Another thank you to all the families who were able to make it into school to the Book look.

Parents' evenings

Monday 16th and Wednesday 18th October.

If you are unable to make your appointment please email the office before 4pm on each day so we can inform the teachers. If you are late, it may not be possible to meet with you, therefore an appointment will need to be rescheduled at a later date.

Important dates

Although the exact dates for the Spring and Summer events are not finalised we thought you would like to know what is coming up. *These events are subject to change.*

Summer

Y3/4 Sharing afternoon – WW2

KS2 SATs week

Pre-school

School council fair

Reports out

Sports day

Y6 Production

Meet the new teacher afternoon

Open afternoon

SPONSORED WALK

Pendragon pupils, Ethan and Olivia (along with other members of their friends and family) will be walking 10 kilometres in memory of their grandad, Robert Osbourn on the 14th October, and helping raise funds and awareness for heart health in our community.

The walk will take place from the Cambridge United training ground, finishing at the Abbey Stadium before the match against Shrewsbury.

Before their Grandad died unexpectedly at the end of May he was a lifelong Cambridge resident and passionate Cambridge United supporter. After his retirement he spent many hours helping the club, both as a volunteer on matchdays, and as a representative (and former Chairman) of the Cambridge Fans United group.

The walk aims to raise money for the Cambridge United Foundation, which does excellent work supporting people in the community, and the British Heart Foundation, particularly raising money towards life saving research being undertaken on the Cambridge Biomedical Campus.

If anyone wants to take part or donate they can find more detail at:

<https://custrust.enthuse.com/cf/walk-in-memory-of-robert-osbourn>
