

Our OPAL charter

We have the right to play and enjoy OPAL.

We have the responsibility to make sure everyone enjoys playtime.

We will achieve this by making sure:

- we follow REACH
- everyone chooses what to play
- we share equipment fairly and kindly
- we respect the equipment and each other
- we treat each other how we like to be treated
- we think about the risks to keep everybody safe
- we take notice of others and the environment around us
- we give consent when playing

- we understand that it is ok to say no!
- we ask grownups if we need help to sort out our problems
- we listen to one and another and everybody's decisions
- we allow others to join in with our games, we might even say 'come and join us'
- we play safely
- everybody will tidy on the first bell
- we consider the question, Is everybody having fun?
