

O2 Young voices

Congratulations to all the Year 5 and 6 children in the choir who represented Pendragon at the 2019 Young Voices at the O2 on Wednesday night. After a long afternoon rehearsal the children then danced and sang with a choir of 8000 children, a live band, dancers and guest singers. An amazing experience for all of us who were there both adults and children. Many thanks to all the parents who were able to join us for the final performance.

I have asked the children what they thought of the event....

"A once in a lifetime experience."

"I loved it when the lights went off and our torches looked like stars."

"I will remember it forever."

Parent teacher consultations

Parents Evening booking system is now open.

Please remember if you have more than one child in school you will need to allow time between appointments to move from one classroom to the next- I would suggest a 20 minute gap to be safe. If you have changed your e-mail address and not told us, you will not have received an invitation to book an appointment.

The appointments are only **10 minutes** long so if you already know you have a lot you wish to discuss why not contact your child's teacher in advance and make a separate appointment. Please do not be upset if on the night, staff have to ask you to stop and make another appointment as you are only allocated **10 minutes**. Staff can be contacted in person, through the school office or via their school e mail address.

Takeover Day

Friday 15th February is our annual Takeover Day. All children are invited to takeover a job in school. On past occasions we have had children in the office answering the telephone, children running the school assembly and children leading lessons in their own classrooms and around the school. All they need to do is apply for a post they wish to do and if teaching a lesson - make sure they check with the class teacher in advance!
