

Sunny days in school

What a lovely week to come back to school. A few reminders for our sunny days!

- Hats on at playtime and lunchtime (any hat can be worn, please can it be named)
- Cardigans and sweatshirts need to be named as we often have a pile of unnamed items left at the end of lunchtime.
- Come to school with sun tan lotion on already - once a day lotion is a great investment
- If lotion needs re-applying, it can be left in the classroom (named please) but the children have to be able to put it on independently and it cannot be shared
- Named water bottles can be used in the classroom
- Named water bottles can be taken outside at playtime and lunchtime
- Encourage your child to sit in the shade if they get too hot - there is plenty around the building

Staff open the library, the computer room and room 8 for drawing every lunchtime to give the children an alternative to going outside.

Termly reports

All the children will bring home a copy of their termly report to share with you tomorrow. If you have any questions, please do see your child's teacher. Don't forget that the attendance colours are: Green 95%, Orange below 95%, Red below 90%.

Friends of the school

Every event held in school is for the children and families and either to have fun or raise money for the children in school (sometimes an event can be fun and raise money!)
